

# 805 LIVING®

Here's the recipe mentioned in our October Pulse department for the spicy pumpkin cocktail offered seasonally at the Four Seasons Hotel Westlake Village ([fourseasons.com/westlakevillage](http://fourseasons.com/westlakevillage)).

**Four Seasons Hotel Westlake Village  
Pumpkin Fireball Cocktail**

Makes 1 cocktail

1 mini pumpkin  
Ice  
2 ounces Fireball Cinnamon Whisky  
1 ounce Bailey's Irish Cream  
1/2 ounce simple syrup

Cut out the top of the pumpkin and scrape out the inside, reserving fibrous strands and seeds. In a cocktail shaker half full of ice, combine cinnamon whiskey, Baileys Irish Cream, and the reserved strands and seeds from the pumpkin. Shake well. Strain cocktail into pumpkin shell and serve with a straw.
